

The Pre-Paid Ad Coupon Redemption Program

The Pre-Paid ad coupon redemption program is now in effect. When you join AdzZoo, as a Campaign Director, you receive one month coupon for each Campaign (Neighborhood, Metro, Area, and Regional). This is a \$970 value to you or your client. These coupons are held on file at the Home Office. You may choose one of two ways to use these coupons. The choices are:

1. When you have a client that purchases a 3, 6, or 12 month Campaign, you can give them an additional month of service. This extra month is added on to their new Campaign. So, if a client purchases a 3 month plan, you will have the option to give the client a 4th month free.
2. You can receive double commission on one of the months of your client's Campaign. In other words, if a client gets a 6 month plan you will be paid 80% commission on one month and then 40% on the other five. Please note that the double commission will be paid in a separate check at the end of the month. You will receive your normal 40% in the pay cycle and then the additional 40% at the end of that month.

The way to activate this free month is by submitting a Support ticket at www.adzooosupport.com. In that ticket, you will advise how you would like the month used and for which client account it was earned from. When the ticket is received, your request will be processed at the Home Office. You will receive an answer to your ticket advising that your request has been processed. If you have any questions, please submit a ticket at www.adzooosupport.com.

Please be advised...All new AdzZoo Campaign Directors have 60 days from their sign up date to activate this program. After the 60 days all coupons will expire.
